

HOW PRECIOUS IS YOUR STEADFAST
LOVE, O GOD! PSALM 36:7

Day 1 God Keeps His Promises!

NOAH'S ARK INSTRUCTIONS

1. Find a cardboard box big enough to hold some of your stuffies.
2. Cut the 4 flaps off.
3. Cut 3 circles on one long side. (Use a glass or plate to draw the circle first)
4. Cut a ramp on one of the ends. (Only cut about halfway down)
5. Tape the short end flaps halfway off the edge of the box. (Packing tape works well)
6. Tape the long end flaps together to make a peak and then tape to the box. (The peak should rest on the edge flaps #5)
7. Decorate your ark however you want.
8. Fill your ark with animals!
