

HOW PRECIOUS IS YOUR STEADFAST
LOVE, O GOD! PSALM 36:7

Day 1 God Keeps His Promises!

Lesson 1: Ark Rescue Yogurt/Jello

Ingredients:

- 100 g blueberry or blackberry yogurt or 1 serving blue Jello
- 1 fruit section shaped like a boat! Try an orange, apple, banana, pear or strawberry... Pick your fav! (Or use a graham wafer as in the photo)

Instructions:

1. Put the blue “water” into a plastic cup.
2. Add the “boat” (Look at the picture!)
3. Have extra fruit available to fill you up!
4. Say a snack prayer like

“God is Great! God is Good!
And we thank Him for our food
Amen”

Today’s snack reminds us that God rescues us and that He keeps His promises! God rescued Noah, his family and the animals from the flood and from the sinful world. For a long time after the rain, all Noah could see was water, but God kept His promise to Noah and the water dried up, leaving a new land. God rescues us from our sin. He promised Jesus, who took our sins away on the cross. Jesus promises to come back someday and give us new life with Him,
FOREVER! GOD KEEPS HIS PROMISES! JESUS LEADS THE WAY!
