

BUT LAY UP FOR YOURSELVES TREASURES
IN HEAVEN. MATTHEW 6:20

Day 5 Jesus Helps me share His good news!

BINOCULARS

1. Measure your TP rolls length wise, cut your coloured paper that width. Glue the paper to your rolls and trim as needed.
2. Decorate each roll. You can add a strip of different paper. You can colour them with your favourite designs. Add your name too!
3. Attach the two rolls together using glue or tape. Make sure they are secure before going to the next step.
4. Mark a spot on each side where the ribbon will be tied. Gently use the pencil to push through the roll and make a hole on each side.
5. Measure your string around your neck so that your binoculars hang at the right length. Insert the string into your holes from step 4 and tie a knot on the inside.
6. Be a Rainforest Explorer!
